

## Join the 20th Annual EdGE Tennis Tournament

The ball is in your court! Teams and individual players can now register to compete in the 20th EdGE Tennis Tournament on Saturday, September 7 at the Northeast Harbor Tennis Club. The Tournament benefits the Mission's EdGE education program. Composed of men's doubles and women's doubles playing at advanced and intermediate levels, eight-player teams compete throughout the day.

## Mission celebrates partnerships at the 2024 Sunbeam Award Gala

On a beautiful, summer night in Bar Harbor, the Mission honored two of its partners for their continued support of the Downeast and island communities at the 2024 Sunbeam Award Gala. The Diana Davis Spencer Foundation was honored for their committed philanthropic partnership with the Mission and Island Institute was recognized for their enduring role as a community partner.

In his opening remarks, Mission President John Zavodny said...

## A summer of projects in Washington County

70 volunteers from 11 states made their way to the Mission's Downeast Campus this summer to make much needed repairs to homes in the area. For more than 20 years, hundreds of volunteers have each spent a week in Cherryfield as part of the Housing Improvement program, helping the community and exploring Downeast Maine.

Six volunteer groups came from Arkansas, California, Connecticut, Kentucky, Maine, Massachusetts, Michigan, North Carolina, Ohio, Tennessee, and Wyoming, and for the second year...

## Students selected for 2029 Davis Maine Scholarships

The Mission has selected four Washington County students for the Davis Maine Scholarship's next cohort. Through a partnership with Andrew Davis and the Shelby Cullom Davis Charitable Fund, the Davis Maine Scholarship ensures first-generation, college-bound students living in the Downeast region of Maine can complete a four-year undergraduate degree without financial burden.

Davis Maine Scholars receive consistent mentoring and support from Mission staff throughout their last year of high school and all four years of college as well as a full, four-year scholarship at one of three partner colleges...

## Journeying into new adventures this summer

For many students participating in Journey, the summer core trips are a highlight of their time in the program. Journey helps students in grades 7 through 12 successfully transition into high school as well as onto higher education and career pathways. Each core trip builds on different skills and ideas students encounter throughout the program.

The EdGE Secondary and Post-Secondary Youth Development Coordinators, who work directly with Journey students, create and schedule six excursions each year. While a few of the elements of the trips carry over from year to year, including...
