*From the desk of Service Tours

## In the News

Here are a few of our favorite pieces from the past few months.

Billy and Sierra, the two Youtubers who run ["Tula's Endless Summer,"](#) toured the *Sunbeam*, this summer and spoke to Director of Island Services Douglas Cormier about the boat and what it offers to islanders.

[Maine Public](#) visited Matinicus to watch *Matincus: A Lighthouse Play* with island residents. The cast and crew traveled on the *Sunbeam* to put on the play on three islands.

[Maine Boats](#) highlighted islands and the boats that travel to them. Featured in the story is one island middle schooler who has traveled to see friends on the *Sunbeam*.
